

Did you receive excellent medical care?

Pinnacol Assurance is committed to providing excellent care and services to injured workers covered by our company. The clinic where you were treated is part of **SelectNet**, a statewide network of physicians and clinics specially trained to treat on-the-job injuries.

As part of our commitment to excellence, Pinnacol Assurance has a program to recognize physicians and clinic staff who went "above and beyond" in treating injured workers. Please let us know if you received excellent care and service. You can either mail this form or call Pinnacol Assurance's medical operations team at **303-361-4945**.
